Natnael Wubet

DEVELOPER

Highly versatile and seasoned developer with 13 years of continuous coding experience, spanning a broad range of domains and technologies. Proven expertise in developing innovative solutions across multiple fields, including

- simulation programming
- web development
- software development
- mobile app development
- system building
- hardware integration
- artificial intelligence
- game development
- Linux systems deep dive
- Customization scripts for many tools

and so on. With a strong foundation in full-stack development, I possess a unique ability to bridge gaps between different technical disciplines and deliver comprehensive solutions. My passion for experimentation and learning enables me to stay up-to-date with the latest technologies and trends, making me a valuable asset to any organization seeking a dynamic and accomplished developer.

SCIENCE FAIR COMPETITION AWARD

This is to certify that

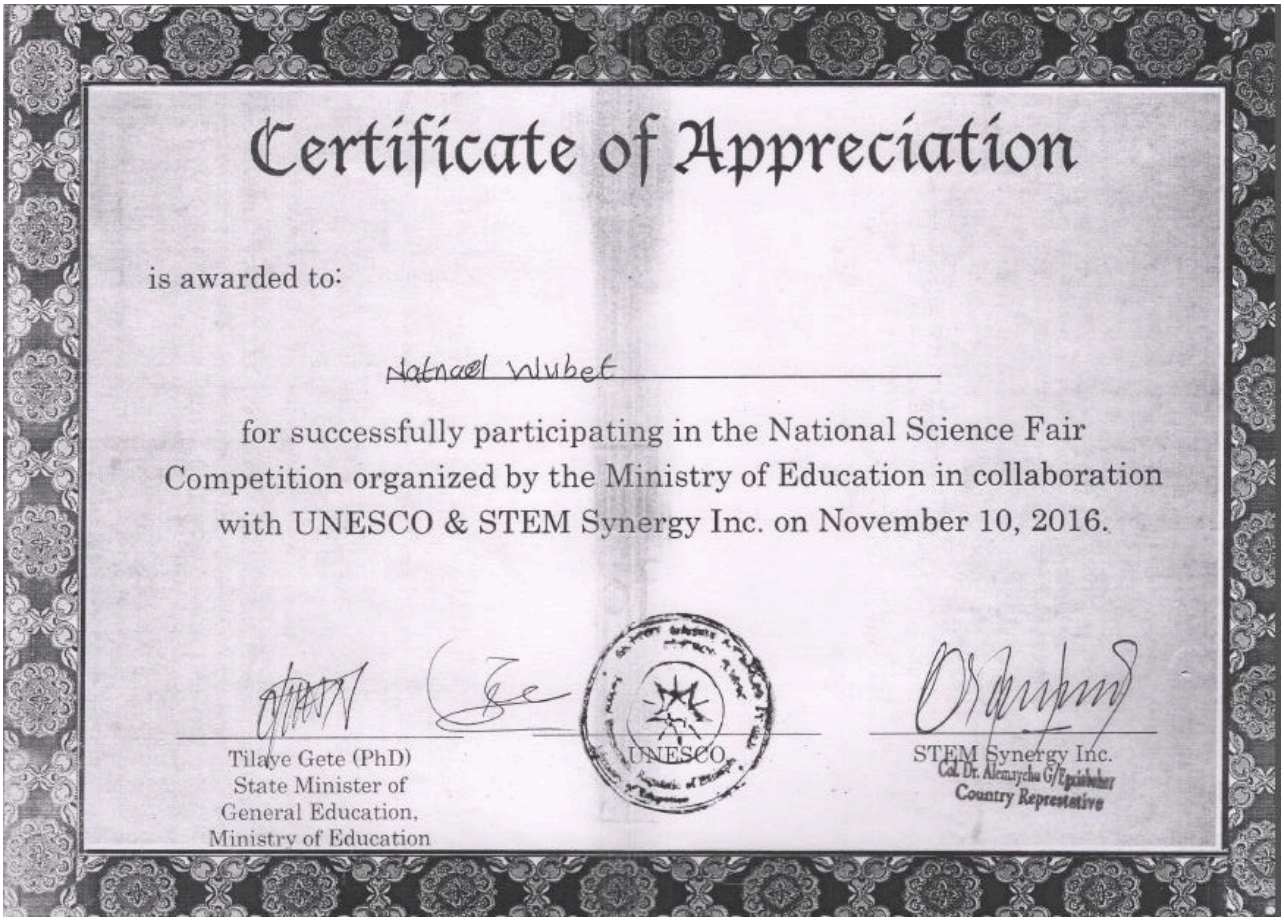

NATNAEL WUBET SINSHAW

Has stood 1st in the second science and technology fair competition with his work in security-based pseudo operating system, which contains a lot of tools in a category, like applications, security, etc. and has presented his work during a science fair competition workshop in 15 July, 2016 at Bahir Dar University STEM Center.

Dr. Tesfaye Shiferaw
Bahir Dar STEM Incubation Center Director

Dr. Mulunesh Abebe
Research and Community Service V/President

I participated at UNESCO competition of innovations as software engineer.

Certificate of Appreciation

is awarded to:

Natnael Wubet

for successfully participating in the National Science Fair Competition organized by the Ministry of Education in collaboration with UNESCO & STEM Synergy Inc. on November 10, 2016.

Tilaye Gete (PhD)
State Minister of
General Education,
Ministry of Education

UNESCO

STEM Synergy Inc.
Col. Dr. Alemayehu G/Egziabher
Country Representative

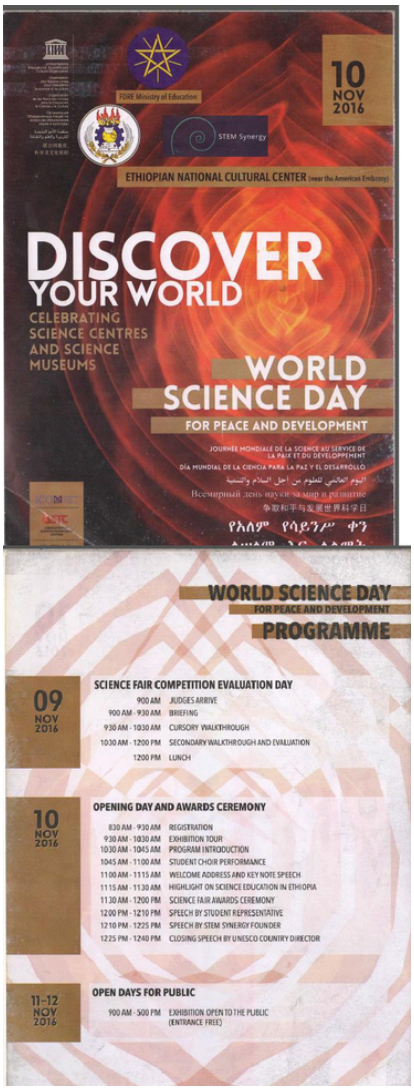

Solveit was a program powerd by icoglabs in partnering with us embassy and humanity+.
I with my team presented a project called hallo reminder and has awarded 25,000 ETB for completing at 3rd place.

Other Certs

- I participated in a competitionatworldssciencedayfromAddis Ababa.
- IwassponsoredbyBahirDarSTEMCenter.Andtheprogramwas about innovations so I presented my software product of penetration and network scanners. And we let our STEM center get a dell corei7 laptop as a 3rd place price.

Networking Academy

Certificate of Course Completion

Natnael Wubet

has successfully achieved student level credential for completing the CCNA: Introduction to Networks course.

The student was able to proficiently:

- *Configure switches and end devices to provide access to local and remote network resources.*
- *Explain how physical and data link layer protocols support the operation of Ethernet in a switched network.*
- *Configure routers to enable end-to-end connectivity between remote devices.*
- *Create IPv4 and IPv6 addressing schemes and verify network connectivity between devices*
- *Explain how the upper layers of the OSI model support network applications.*
- *Configure a small network with security best practices.*
- *Troubleshoot connectivity in a small network.*

Issued on: Apr 01, 2025

Lynn Bloomer
Director, Cisco Networking Academy

Networking Academy

This certificate is awarded to

Natnael Wubet

for successfully completing

CCNA: Introduction to Networks

offered by Bahir Dar University - 2

through the Cisco Networking Academy program.

Ahmed Nuru
